

CONTENTS

	Page
1. Study and manufacture of the low temperature vacuum drying system in pillot scale1 Tran Cong Duong, Vuong Trung Hao, Do Thuy Khanh Linh, Hoang Van Nhat, Phan Thi Hong Nhu, Vo Nguyen Tuong Vy, Le Tan Cuong, Le Thanh Phong, Nguyen Tan Dung <i>Ho Chi Minh City University of Technology and Education, Vietnam</i>	1
2. A review paper on radial junction silicon nanowire solar cells9 Le Duc Toan <i>Phu Yen University, Vietnam</i>	9
3. Biodegradable polymer layers for production of smart urea fertilizer by coating pan system23 Nguyen Huu Trung, Trinh Van Dung <i>Ho Chi Minh City University of Technology, Vietnam</i>	23
4. Effects of heating and hydrogen peroxide on the stability and antioxidant activity of terminalia nigrovenulosa extract at different pH values29 Nguyen Quang Vinh <i>Institute of Biotechnology and Environment, Vietnam</i>	29
5. Experimental study of drying mushrooms (volvariella volvacea, pleurotus ostreatus, lentinula edodes, pleurotus eryngeii, agaricus bisporus, flammulina velutipes).....38 Trinh Van Dung, Luong Thanh Danh <i>Ho Chi Minh City University of Technology, Vietnam</i>	38
6. Potential resources recovery opportunities from wastewater: a review43 Tran Thi Kim Anh <i>HCMC University of Technology and Education, Vietnam</i>	43
7. Obtaining the extract containing rich content of phenolic compounds from diep ha chau (phyllanthus amarus) grown in phu yen province for medication purposes.....51 Nguyen Thi Nguyen Thao¹, To Thi Minh Nhan¹, Huynh Thi Ngoc Ni¹, Tran Vinh Thien¹, Nguyen Thi Ngan² ¹ <i>Phu Yen University, Vietnam</i> ² <i>Dong Nai Technology University, Vietnam</i>	51
8. Challenges and solutions for vietnam to produce good agro-processed foods - focusing on rice production in the mekong delta.....57 Ki Yull Yu <i>NIPA Advisor, Korea-Vietnam Incubator Park, Can Tho, Vietnam</i>	57
9. Screening on antioxidant activities of by – products from vegetables and fruits in Vietnam and applying for shrimp cold storage63 Phan Thi Anh Dao <i>Ho Chi Minh City University of Technology and Education, Vietnam</i>	63
10. Lead (II) adsorption from aqueous solution by chitin treated with non-themal plasma (cold plasma).....71 Nguyen Van Suc <i>Ho Chi Minh City University of Technology and Education, Vietnam</i>	71
11. Antibacterial efficiencies of Ag-Tio ₂ (P25) catalyst under different light condition78 Hoang Thi Tuyet Nhung, Doan Thi Kim Quyen, Le Thanh An <i>Ho Chi Minh City University of Technology and Education, Vietnam</i>	78
